

# “ Restraints ! ”, “ Restraints ! ”

“ Restraints ! ”, “ Restraints ! ”

To both the Devil and the Saints

The American Sponsors

To the UN Commanders

European Mediators

To French Collaborators

AU Beggars

To IGAD agents

Tabloid Reporters

To Ignorant Spectators

“Opposition” Detractors

To Fugitive Losers

Restraints, Restraints

To both the Devil and the Saints

They're all the same

Nothing but to blame

To blackmail our name

What a shame,

What a shame

Playing dirty game

Proving Justice lame

“The Rule of the Law over the Rule of the Jungle” !

We Will Never Kneel Down !
