Ethiopia Avails to All African Travelers Visa On-line and On-Arrival Service

Addis Ababa, 2 November 2018

Ethiopia has launched visa on arrival service for all African travelers as of November 1, 2018. The service was launched at a colorful ceremony held at the headquarters of the African Union Commission in the presence of the African Union Commission Chairperson, Ethiopian high government officials, African Ambassadors residing in Addis Ababa, CEO of Ethiopian Airlines Group, invited guests and media.

Addressing the gathering, Ethiopian Group CEO Mr Tewolde Gebremariam said, *“It is truly an honor and a special privilege to witness this historical and truly inspirational day. Ethiopian Airlines has been bringing Africa together and closer to the world for over 7 decades. Today, Ethiopian flies to 60 African destinations and connects the continent to over 50 major international cities in 5 continents. Visa on arrival for fellow African brothers and sisters and more importantly, visa online will greatly boost cross-border tourism, trade and investment, further deepening African integration.”*

Throughout its seventy plus years of service, the pan-African carrier Ethiopian Airlines has been bringing Africa together and closer to the world. Thanks to its unwavering commitments and efforts to bridge the air connectivity vacuum in the African skies, today Ethiopian serves 59 cities across the continent, commanding the lion’s share of the intra-African network.

It is to be recalled that the Ethiopian Immigration and Nationality Affairs Main Department, in collaboration with Ethiopian Airlines, launched an e-visa service for all international visitors to Ethiopia in June.

About Ethiopian

Ethiopian Airlines (Ethiopian) is the fastest growing Airline in Africa. In its seventy plus years of operation, Ethiopian has become one of the continent's leading carriers, unrivalled in efficiency and operational success.

Ethiopian commands the lion's share of the Pan-African passenger and cargo network operating the youngest and most modern fleet to more than 116 international passenger and cargo destinations across five continents. Ethiopian fleet includes ultra-modern and environmentally friendly aircraft such as Airbus A350, Boeing 787-8, Boeing 787-9, Boeing 777-300ER, Boeing 777-200LR, Boeing 777-200 Freighter, Bombardier Q-400 double cabin with an average fleet age of five years. In fact, Ethiopian is the first airline in Africa to own and operate these aircraft.

Ethiopian is currently implementing a 15-year strategic plan called Vision 2025 that will see it become the leading aviation group in Africa with Six business centers: Ethiopian International Services; Ethiopian Cargo & Logistics Services; Ethiopian MRO Services; Ethiopian Aviation Academy; Ethiopian ADD Hub Ground Services and Ethiopian Airports Services. Ethiopian is a multi-award winning airline registering an average growth of 25% in the past seven years.
